

In order for citizens to receive disaster information promptly and accurately, we provide a service that sends disaster information and other information by email to mobile phones and computers that have been registered in advance. Please sign up to receive important information.

Method of change/unsubscribe

○ When you wish to unsubscribe

To unsubscribe, refer to the address at the end of the email you received and select unsubscribe. After a short time you will receive an email confirming your unsubscription.

○ When you wish to change the content you receive

To change the information you wish to receive, please refer to the address at the end of the email you received and select the option to change your registration details.

○ When you wish to change the registered e-mail address

Please unsubscribe with your old email address and then register with your new email address.

Precautions

○ Although registration is free of charge, the user is responsible for any communication charges, for example, when receiving emails.

○ The emails for this service will be sent out at anytime.

○ Before registering, please make sure you are set up to receive emails from "jouhou@hikone-city.jp".

Contact your carrier for additional support when the setting up is unclear.

Please send a blank email to the address below.

TO: en-touroku@hikone-city.jp

1
